<p>majority voted yes. Class Reps said they would be happy to be able to help other students.</p>	
<p>Questions from the Class Reps</p>	<p>Action Box</p>
<p>Student spaces - Will there be more spaces for students to sit? Students are being kicked out of canteen for eating their own food in them. Fionn got an email this morning, about this and is looking into it, he hopes to have feedback at the next Class Rep Meeting.</p> <p>Coffee prices are very high, the canteen is Aungier Street Canteen is much cheaper than GG, the cost of food in the canteen in Lower House and Rathdown is also very high, and the vegan options are very scarce, not enough options and too expensive.</p> <p>Hot water and microwaves should be put back in after the 22nd October, depending on Government Guidelines which are due to be announced shortly, due to covid restrictions these were not allowed to be put out in the canteen.</p> <p>Lack of lockers – There are not enough lockers in Central Quad for Students, culinary students don't want to be carrying around their knives or uniforms with them. Fionn is working with Frank Cullen on this, they are looking to get more lockers from Cathal Brugha St., and they are also looking into 2 different rooms in GG to transfer into changing rooms.</p> <p>Changing rooms in the gym, are there changing rooms in the gym? We will find out, will throw up on social media!</p> <p>Sanitary towel bins are overflowing because students are putting tissues in them. there is not enough toilet paper and no shower curtain on shower. Bins in classrooms are overflowing because they are not emptied.</p> <p>Lack of gender-neutral toilets and changing rooms – students do not understand the signing outside toilets, women are going into men's toilets and men's are going into women's, not enough signage to say where bathrooms are. Hand sanitisers are always empty</p> <p>Timetables are constantly wrong; it was advised that students contact their programme chair with questions in relation to timetables.</p> <p>Some online and in person lecturers are being held to close together, on the same day. The Wi-Fi isn't great, there are no spaces for students to do online classes, some lecturers book a room for online classes which works well.</p> <p>A lecturer refuses to come in because he only has one lecturer in that day, Hamza asked student to email him so that he can investigate this further.</p> <p>Student complained (after meeting) that lecturers not wearing masks when at the front of the class, can get quite close to students, etc</p>	

<p>January exams, head of school and lecturers will update students about online exams in January – All exams are on campus 2 tutorials and rest of classes online, students have most classes online and want to have their exams online. Once we get clarity from Government there, we probably be no classes online or exams. We don't know what that government are going to propose tomorrow. We will update students as we get updates ourselves.</p> <ul style="list-style-type: none"> • Library booking timeslots, Students want more convenient time slots for booking library spaces, students are finding that their classes are just finishing when their library booking just starts and if they are late arriving for their time slot is gone. Students want to be able to book time slots with more convenient times that doesn't coincide with their classes. • 1 student has had no labs yet, got an email today to say that the labs are not ready yet, please email education.cc@tudublinsu.ie with queries relating to this. • Students having issues with the access cards are advised to contact estates, you can contact estates at accesscards.city@TUDublin.ie or call 01 2205426
