*Príomhphointí ón gcrúinniú deireanach*

● **Pink Training 2020**

USI Pink Training 2020 took place virtually this year from Friday November 25<sup>th</sup> – Sunday November 27<sup>th</sup>, TU Dublin Students' Union took lead on this, and I was the Delegation Coordinator. I also presented a workshop on “Turning Your College Experience Into Your Biggest Ally” that got really good feedback. Pre-Pink Training I touched base with the 3 LGBTQI+ Societies and informed them that we'd be divvying out some spaces to the wider student body but to send forward a list, to ensure they were involved in this. I also drafted up a Pre-Pink Training support document and circulated it with everyone attending. It was a good weekend, and the delegates were incredible. Minimal issues reported back to me. Would also like to thank the Vice-President for Welfare & Equality for acting as the Students' Union Support Officer for the weekend, and for delivering an incredible workshop and major kudos to him on that. Prep work for this took up a sizeable portion of time due to the nature of the event and prep-work.

● **IBSA**

I have been working with the team to formulate an ongoing response to the Image Based Sexual Abuse piece, highlighted through the data leak of over 200,000 files online. We have worked closely as a team to ensure a response was sent out and are working continuously to ensure that there will be an ongoing, supportive and genuinely authentic response delivered on this issue and will feed in to a larger discussion piece and ongoing campaign around IBSA, Revenge Porn, Sex Work, etc. We stand in solidarity to all those affected and have reassurance from TU Dublin that if they have been affected by this, they will be supported. This is an ongoing piece of work and will be a priority going forward.

● **Return to Campus**

I've been working with the Nurse and a Students' Union Staff member on the return to campus documentation submitted for Blanchardstown to ensure should we need to attend campus that the right procedures are in place and have had back and forths with the Nurse, the Events Manager and Estates on this.

● **USI Motions**

Very happy to bring to Student Council that 2 motions brought by TU Dublin SU were passed, one was rejecting fascism and the other was dying with dignity. Work can start on these from national levels now.
