Key Points Since Last Meeting

Príomhphointí ón gcruinniú deireanach

- **Graduation**

Graduations took place the week of the 23rd of November and throughout this month I was involved in the Graduation Committee in finalising the event. This included asking for more communication around the Graduation and contacting students to be a part of the ceremony by recording videos of themselves speaking about their experience.

- **Student Showcase Campaign**

Over the last few months I've seen students do some fantastic work online whether that's a podcast, creating and selling or just doing something positive for the community. This inspired me to run this campaign to highlight the students who are doing initiatives like this. Every week coming up to Christmas a student will be highlighted on our story for what they're doing during this time.

- **Social Justice Week**

This week is ran every year on the Tallaght Campus, supporting the Chaplaincy service in any way we can. This year we wanted to involve all campus so it is now a TU Dublin wide campaign. Each day highlighted something different including - the housing crisis, world aids day, people with disabilities and domestic abuse awareness. As I have a good relationship with the Chaplain on our campus I created the Social Justice Week graphics

- **Student Engagement**

Over November we have been promoting the Student Councillor and School Rep positions still available so if you know anyone interested let us know. I also have been getting students to participate in the NStEP IA workshop so thank you to anyone who has kindly agreed to take part.
