

Comprehensive Student Council Handbook

Student Council Notes:

That the current student council handbook available online is outdated and lacking in certain relevant points of information.

Student Council Further Notes:

That the current student handbook available on the TUDSU website has many issues, including but not limited to: 1) Having 'DIT' written everywhere 2) Having presumably unused topics such as 'college fora' present 3) Having outdated information regarding motion writing 4) Lacking information/clear instructions regarding how to carry out council actions such as discussing motions that were never completed, removing motions from the motions manual and altering motions that have already been passed.

Student Council Acknowledges:

That the workings of student council can be difficult to understand, even for experienced councillors.

Student Council therefore Mandates:

That the Deputy Presidents (or relevant officers) from each campus create an updated version of the student council handbook, rectifying all of the issues mentioned above where possible.

Student Council Further Mandates:

That the updated student council handbook replaces the previous version online, be circulated to all elected members of council, and that all sabbaticals be knowledgeable of its contents. This should be completed by the first council of the second semester.
