**Key Points Since Last Meeting**  
*Príomhphointí ón gcruinniú deireanach*

The weeks have flown by since our first meeting, so here are some brief updates.

- **SU Funding**

Our funding has not been re-instated to normal levels, and we remain understaffed. At this point, we are considering our options, and we wish to have this come to a resolution by the end of the year. We have briefed the President and the Chief Operations Officer of TU Dublin on the background of this situation, and proposed solutions, and we are awaiting a response.

- **Elections for SU Officers**

I'd like to say a massive congratulations to our newly elected College Officers for the City, and our newly elected Postgraduate officer. We have our first ever officers for the east and central quad for Grangegorman; we hope these roles will be very useful as the migration to Grangegorman progresses next semester.

- **Student Feedback**

As the Student Council and Class Rep meetings have been set up, we've gotten huge amounts of feedback from you all, and we are so delighted to see the strong engagement from our members. We are working collectively on this feedback and we want to continue to strengthen the community of students so everyone can support one another. Some problems are easier to solve than others, and we appreciate your patience as we go through them with reduced capacity due to understaffing.

- **Officer Structure**

As mentioned at our last meeting, we have begun the process of reviewing our officer structure to serve the Union and our members. We have encountered difficulties due to the current structure in place, and I want to resolve this for next year's team. I will be setting up a working group in due
