**Greetings**

Hello, my name is Adam Clarke. I am the Current VP for Events & Engagement for City Campus. It was so nice to meet you all at the last Council and really looking forward to seeing you all in person.

**- Halloween Events**

I think it is fair to say that our Halloween events can be counted as a success. We launched three Halloween events in total.

First our Farmaphobia event, we sold-out at 100 tickets shortly after launch. Everybody seemed to have a great time although it was cold on the farm. Farmaphobia was a great opportunity for classmates to try something different to make memories that they will think back as a highlight of their Halloween experience as a student.

Secondly, we had a Halloween Ball in The Shack near Tallaght campus. We decided to run a Second Halloween ball because of the overwhelming demand of the Halloween Ball in the Academy. We Sold 295 tickets form this event and it went off without a hitch. In the effort to add some excitement to the event we hired a set of fire dancers as entertainment on the night and gave four best dressed prizes on the night.

And finally, our largest event to date this year, Our Halloween Ball in the Academy. We sold 800 tickets to this event in under 30 minutes. It was clear from the outset that that this event was going to be a success. We have received feedback from students telling us how much they enjoyed the night, and we plan to run similar events in the future. On the night TU Dublin students had their own exclusive area with a perfect view of the stage and an overlook of the entire club. During the night there were podium dancers, CO2 and Confetti cannons and we also done four best dressed prizes on the night.

**Fundraising**

We as a union are turning towards our fundraising duties now that we are on the run up to Christmas. We will be joining our RAG partner Saoirse Domestic Violence Services on their 16 days of Action at the end of November. Each officer will be responsible running their own fundraising campaign and will launch during the 16 days of action.

**Events running up to Christmas**

I am currently in the planning stage of running a series of social events during from the 22<sup>nd</sup> of November to the 17<sup>th</sup> of December. These events will range from Club nights of different music genres, Themed social nights, comedy nights, quiz nights and Karaoke.

- **Graduation Balls**

Since the start of November, I have been organising an in-person graduation celebration ball for 2020 & 2021 graduates as their graduation ceremonies remained online. We originally planned multiple balls as the large number of graduates however there was a low interest, I decided to run one. Everyone attended the ball seemed to have a wonderful night and I have received positive feedback from graduates.

**Marketing Activations**

Recently I have taken up the responsibly of overseeing the marketing activation that request to operate on campus. I feel this falls under my remit because it increases engagement between the students and the student's union. So far, we have worked with Pepsi and Deliveroo, no doubt there will be more before the year concludes.

**Karaoke Thursdays**

We have teamed up The Woolshed BAA & Grill for their karaoke night every Thursday. We have arranged that TU Dublin have access to a student priced cocktail when they produce their student card. This event will be recurring every Thursday for the foreseeable future.
