Class Rep Meetings 1st and 2nd – Since the last student council meeting, I attended and headed the first East Quad Class Rep meeting, this was mostly introductory and allowing the class reps to get to know myself, some SU staff and student council nominations/elections. The 2nd class rep meeting is due to be on the 15th of November.

Student Council Meeting – I attended my first student council meeting; we discussed the role of the SU and the Student Council as well as several different proposals/policies to be continued.

Class Rep Training – I participated in both days of class rep training, this was to introduce myself to all the class reps across TUD as well as aid the full-time officers and ensure the event went smoothly.

Period Poverty/Menstrual Education – The Welfare Officer (Aoife Meagher) and I have been discussing what the SU can do to introduce free period products across the campus, as well as free educational workshops/stands. We also want to create some events in the new year just before or after shag which is regarding contraception and menstrual education.

USI PTO workshop – short meeting regarding the work of the Dublin Regional PTO's

Welfare Art Exhibition - Ongoing work to host an art exhibition at the end of the year or early next year, submissions accepted campus wide. This will promote student engagement and allow them to gain unique experience as well as running alongside welfare events/themes.
