**Campaigns**

I'm currently starting work on our annual SHAG week in February which I'm looking forward to quite a lot, if you would like to help out or have any ideas then feel free to contact me!

I've also been working with the East Quad College Officer to brainstorm ideas for period poverty campaigns. Hope you all enjoyed the SHIFT week events also, and well done to Sinead for taking the lead on those!

**Facilities**

We released a statement demanding TU Dublin to do something about the lack of changing spaces in Central Quad, and I've been following up with senior management about microwaves being taken out of campuses. I've also been following up with Sodexo and Aramark regarding the closing times of canteens for classes in the afternoon as post grad students flagged this as a concern.

**Students In Need**

Student Services have agreed to form a pan-university committee to address resolutions across the board for students accessing food.

**Cost of College**

I have been working with USI through the campaign strategy committee to create their national campaign for the year, the Cost of College-F\*ck the Fees campaign has launched so I'd encourage you all to get involved with the campaign as much as you can.
