Key Points Since Last Meeting

Príomhphointí ón gcruinniú deireanach

SHIFT WEEK

SHIFT week was a hugely successful campaign that I led this year with great engagement from students. BIG thanks to all the officers who go involved and made it what it was. We collaborated with the university on the active consent play, which was well attended, we also ran sex toy bingo in the woodshed baa which sold out and received brilliant feedback from students. The stands also gained a lot of attention and intrigue from students. There was an issue on the Tallaght campus where a university staff member took issue with the rodeo Penis, we believe in the union that's its important to put on fun and sex positive activities not only during shift and shag but throughout the year. We constantly re-evaluate our events and would welcome councils input regarding the events during shift week.

Referendum

Referendum prep has been in full swing. During the run up to it I did several class addresses as well as canteen walk through, informing students about the Referendum and aungier st bye election. These were well received by students and its my hope this positivity and willingness to get involved will be seen at the polling stations.

Social Justice Week

I'm leading social Justice Week this year, which starts on the 28th of Nov. This campaign comes to students in collaboration with Chaplaincy and its been a really interesting one to work on. There's a Wide range if activities across all campuses so please do get involved. Don't forget to donate some new underwear, hats, gloves etc in the donation buckets available in every location. All items will be distributed to local homeless charities.

Abolishment of Violence

The Abolishment of Violence campaign will run over 2 days across the 3 campuses. We had stands available on the 28th at lunchtime from prominent domestic violence charities and we will have a photo exhibition in the East quad all day on the 29th.

Resignations
Sadly in the last month we have lost 3 valued exec members, this has been a huge blow to the team and while I'm very sad to see them go, I wish them all the best going forward.
