### Key Points Since Last Meeting

*Príomhphointí ón gcruinniú deireanach*

#### **Social Justice Week**

Social Justice week was very successful, it's the first time we've rolled it out in person across all 3 campuses and I personally learned a lot from the campaign. Were Hoping to bring some elements from this forward into Diversity & Inclusion week which is due to take place in February

#### **Ending Sexual Violence in Higher Ed. Conference**

On Thurs 9<sup>th</sup> I attended the Ending Sexual Violence in Higher Education conference alongside our welfare and equality exec. It featured a shortened version of the active consent play, panel discussions and discussions on the findings of the [National Surveys](#) of Staff and Student Experiences of Sexual Violence and Harassment in Irish HEIs and recently launched [HEA ESVH Implementation Plan](#).

#### **Campaign Volunteers**

As I's sure some counsellors are aware, due to ongoing illness and a resignation on the team I have led all the welfare and equality campaigns thus far. I have really made a conscious effort to have an even split of events on every campus but some of the roll outs have been affected simply because of our reduced numbers. With an incredibly busy period for campaigns coming up in in the new year, I'm asking if councillors would consider volunteering on their campus to ensure all students get maximum benefits from these campaigns. Please stop me after council or send me an email if you're willing to help out!
