**Key Points Since Last Meeting**  
*Príomhphointí ón gcruinniú deireanach*

Hi all. Apologies for missing the last student council. I was very ill with Covid (first time I got it), I'm happy to take any questions on my previous report as well as this one. I've actually been out sick since the last council and I'm just back the day before this report is due but here's what I've been working on.

**Christmas:**

By the time council happens our Christmas events will have taken place. Our Smashed Monday and Tiki Bar events have already sold out and the Drink and Draw and Jingle Ball are selling well. We will be running the first ever TU Dublin Christmas Day. I contacted all the city canteens, and they will serve Christmas dinner on that day. We are also working with a bar local to Grangegorman called Barbers. They will open from 12pm to accommodate students that want to get into the spirit of things early on. There is a night-time event planned in Ohana and that is already sold out. There is also a Christmas Market on in Lower House with some students selling goods.

**Raise and Give Semester 1:**

We have officially launched out fundraising efforts and this year we are trying to raise 30000 euro for the Irish Motor Neurone Disease Association. We have launched a go fund me page and every officer in the union has their own unique link that they can use to track their own personal fundraising. Over the Christmas week all officers will be doing their part and getting out to do a bit of fundraising. We are open to any and all ideas in terms of fundraising so don't hesitate to contact me about anything.

**Raise and Give Semester 2:**

I've been working away on organising events for our 2023 RAG Week. So far, we have booked the venue for our RAG Ball. We are also in discussions about a formal ball to take place that week. I've booked a charity abseil that will take place down the Generator tower in Smithfield. We will be looking for about 100 students to sign up and help us fundraise 😊 we are planning to run a lot of on campus and off campus events during this week.

**Referendum & By-Elections:**

Delighted to say our referendum and by elections were a massive success! A huge congratulations to the whole team and especially Brian who not only navigated the team through some difficult discussions when it came to proposing a structure that the whole exec team were happy with, to then bringing it to student council and having it overwhelmingly approved, and then finally going to referendum and achieving the highest voter turnout in the Universities history.

We have also been able to welcome a number of new part time officers and I'm looking forward to working with them.

**I hope you all enjoy a well-deserved break at the end of a long semester and I look forward to seeing you all again when college returns in January!**

Literally devastated to see Adam Clarke resign from the union. Adam has been a great colleague to me and an even better friend since we met via the union and I wish his all the best with whatever he goes on to do next.
