

Dear Student Council,

I am informing you that two Electoral Commission members have stepped down from the Commission until the end of March because they are in a Campaign Team. For the duration of the SU Officer Elections 2023, to ensure the effective and impartial functioning of Electoral Commission, the Executive has appointed myself as the Deputy President for Tallaght Campus and a former Electoral Commission member Jamie O'Neill to sit on Electoral Commission. The original Electoral Commission members will return to sit on the Commission after the Elections, starting from 1st April 2023. I am asking Student Council to ratify this decision.

Thank you.

Kind regards,
James Curry
Deputy President for Tallaght Campus
