Key Points Since Last Meeting

Príomhphointí ón gcruinniú deireanach

Elections

Well that was mad. Elections are over and well done to everyone that took part. Happy to say I've been elected as the 1st overall Events & Engagement officer of the TU Dublin Students' Union. I've had a very good working relationship with Red Bull this year and they amazingly agreed to fuel our elections and e gave out thousands of cans over the 3 day period!

Due to taking the whole election period off to campaign I don't have any huge updates in the officer report.

USI Congress

After the elections I attended USI Congress in Sligo. We brought a delegation of 29 officers and students and every union in the country came together to debate motions and policies that will go on the shape the future of the student movement. It is a great chance to meet people from other colleges and get an insight into how other unions work and function.

Last year IADTSU, NCADSU, LSAD and MTU Cork collaborated on an art exhibition that focused on creative arts and I had good discussions about including TU Dublin in the project in the next academic year.

Student Recognition Awards Ball

The SRA take place on the 3rd of May in the Raddison hotel. Those nominated will receive an invite to attend and a free ticket and then a number of additional tickets will be available to purchase. It's a great chance for us to finish out the year and recognise some truly amazing students.

Fundraising

Our charity Abseil takes place on the 29th of April and we are very excited about it. It's a great opportunity to get involved in student activates and raise some crucial funds for the IMNDA. Apart from that we have a couple of small bits to finished out the year. We are planning a pie the SU day on the 24th of April across all campuses, You'll have the chance to pie your favourite sabbatical officer for a small donation to the IMNDA. There are also a couple of other bits planned that I'm just waiting on final conformation on.

TUDSU + Tiny Desk

During RAG Week I filmed a Tiny Desk Music performance in the TUDSU + Office and I've decided to make it a regular feature. I reached out to students a few weeks ago and have a number of artists schedules in over the next few weeks, I'm hoping this is something that union can continue to do for years to come and could be a major part of the proposed student media outlet.

<p>Please share with students that if they are sick, suffering with their mental health, or going through a bereavement, they can complete a PC1 form to get an extension on their assessment. However, I recommended chatting to a lecturer first prior to filling out a PC1 form as sometimes lecturers can be quite understanding and are willing to support students by giving them an extension.</p>
