Key Points of work warried out since last meeting

Príomhphointí ón gcruinniú deireanach

Supplemental Exams Campaign: Set up snack stands for students across the five sites to give a much-needed energy boost. Big thanks to the whole team for helping out with this I couldn't have done it with them.

Class Rep Recruitment and Elections: Myself and the team worked tirelessly to ensure as many reps got filled in the first round and we received **770 nominations**. The Staff and I sorted all 770 into our database and the team led the elections for me as I was out sick elections week. I really want to express my huge thanks to the whole team for taking

this monster on while I was unable to.

We are still filling in the gaps on the class rep database and will be hosting a co-option election for the unfilled positions.

Don't Drop Out Until You've Dropped in: Making Students Aware of the last date to drop out without financial penalty and providing information on places to talk to help alleviate any issues students are having.

Academic Integrity Awareness: With the rise in Ai being used by students in their learning, I want to make sure students are aware of what Academic Integrity is and how to avoid Academic Misconduct
