Key Points of work warried out since last meeting

Príomhphointí ón gcruinniú deireanach

Sport Science Building:

IT'S FINALLY OPEN!! I've been in touch with Head of Sport during the last 4 months regarding the 'Open Gym' hours, and a user group which is currently being set up. Me and Brian attended the 'Grand Opening' amongst with the Comms and Media Exec.

Masterplans:

We have been going over the Tallaght Masterplans provided by Head of Campus Planning. I have provided feedback according to our students needs.

Common Rooms:

I've been looking into ways to improve the common room over the past couple months. I have donated some of the books which were not being used to the library, Maeve has also been in contact with lecturers who are interested in taking the books. The microwave in the Student Union building has been removed amongst with the water boiler for health and safety reasons. TUDSU+ has finally opened. I'm also in the process of getting new Code of Conduct posters as the ones we currently have are outdated.

Microwaves:

The college has provided 2 new microwaves for the Tallaght Campus, they're located on the 1st floor, next to the Mezzanine.

Canteens:

I've had a meeting with the canteen manager in Tallaght, amongst with the regional manager of the company. They have stated that although they cannot remove the charge on takeout boxes, they do allow students to bring their own lunchboxes. They have claimed to have halal, vegetarian, vegan and coeliac options and they agreed to test some lactose free options. Regarding seating, they agreed to let students sit in the canteen spaces without purchasing food at 'non peak' hours. They also mentioned considering more deals, such as monthly meal plans. We have received free food vouchers for students in need for the first semester.

Lab Equipment:

I have been trying to reach out to 'Head of Schools' due to complaints from students regarding the lack of equipment in biology/chemistry labs and computers malfunctioning.

Multifaith Room:

I have been in touch with Islamic Society in Tallaght and the chaplaincy regarding the multifaith room.
