Key Points of work warried out since last meeting

Príomhphointí ón gcruinniú deireanach

Hello everyone, apologies for the late arrival of my officer report, I unfortunately was unwell but thankfully not dead yet!

Transport:

- TU Dublin SU hosted USI National Council, I discussed the ongoing transport issues in Blanchardstown and will be going to USI Transportation Focus Group to look at how we can work with other Students Unions experiencing similar issues.
- Great news for students travelling to Meath! We have arranged for a bus shelter at the Blanchardstown Shopping Centre for the public and students. Planning permission process for Fingal County Council is underway.

Common Room:

- We have improved security measures within the Common Room area, this is a really important measure to reduce anti-social behaviour and destruction of furniture.
- I have been pushing for new furniture in the Common Room and hopefully will have more updates soon!
- We are also in the process of purchasing more exciting items for the Common Room
