**Key Points of work carried out since last meeting**

*Príomhphointí ón gcruinniú deireanach*

**Keys:**

WE FINALLY HAVE 2 FULL SETS OF KEYS!!! F I N A L L Y !

**Water Fountains**

We have gotten new signs for the water fountains in the main building as the old signs were misleading.

**Canteen Opening Times**

In our last Class Rep Meeting there were complaints about the canteens not serving hot main course after 2pm. As it is unfair to students who have lectures/labs from 12 till 2 I got in touch with canteens and requested they would extend this time frame till 2:30.

**Silent Pod**

We have a new silent pod in the main building.

**Cash Cow**

Drafted a list of issues specific to each campus that we can lobby about, and another list of things we'll need to run the campaign. (Also working on memes hehe)

**SSHRB**

Issues regarding phone signal in the building has been raised by a student, therefore I followed up with the Sports Staff as this is a huge safety concern. They're aware of the issues, and will address it with the project manager. I have also been invited to be a part of the user group which will meet in early December.

**Common Room CCTV**

I have reported the issues regarding one of the CCTV cameras not working in our SU common room to building services, who informed me that the camera has been replaced as of last week!

**SU Bathroom Doors**

Some students had issues with the bathroom doors such as struggling with unlocking the door. I again reported this to building services who fixed both the womens bathroom door and the disabled/gender neutral bathroom door!
