

TU Dublin Students' Union
Student Council Officer Report 23/24
Tuarascáil Oifigeach Comhairle na Mac Léinn
Aontas na Mac Leinn, Ollscoil Teicneolaíochta,
Baile Átha Cliath 23/24

Officer Name: <i>Ainm an Oifigeach</i>	Peter McCann	Email Address: <i>Seoladh Riomhphoist</i>	City@tudublinsu.ie
Officer Position: <i>Seasamh an Oifigigh</i>	City Campus VP	Period of Work: <i>Treimhse Oibre</i>	November 6 th 2023 – December 12 th 2023

Key Points of work carried out since last meeting

Príomhphointí ón gcruinniú deireanach

Working with Sustainability to secure eco seating

Working with the other CVPs and sustainability we hope to receive a suite of eco seating from the college sustainability team.

Additional Microwave AST

Additional microwave to be added to AST on the first floor to reduce wait time at the current microwave location and by placing it away from the canteen means less hassle from the canteens while still being cleaned and maintained.

Bolton Street and Linenhall maintenance

The main areas of improvement in maintenance are:

- Projector maintenance has begun and once the funding is approved all projectors will be upgraded
- Roof being maintained for the new year in both Bolton and Linenhall
- Document of both Linenhall and BST to be sent to the president to be reviewed and sent off to estates and building management
- Water fountains to be replaced in BST and Linenhall (Plus additional water fountains in Linenhall)

Working with TUDSU President to secure new furniture

The president and I have been talking with TUD student life in order to obtain new furniture that we were granted funding for.

Working with Green Campus for better bin signage and more bins

The other CVPs and I have been in talks with the green campus committee in order to get more bins on each campus as well as better bin signage to be able to recycle and dispose of waste sustainably.

Linenhall Sustainability

I have been communicating with the head of sustainability to focus some resources to improve the conditions of the windows in Linenhall as this will be better for students studying there and for the environment as it will reduce the amount of heat required.

Subsidised food policy

I have been researching and talking internally about getting food subsidised and I believe it is some the council should push for

Additional notes
Aon nithe eile

There are slightly less full projects completed as most of my time was spent planning out and chatting with the Building management about what to do next.
