These are the activities and initiatives I have undertaken since returning from the winter break.

  **CULTURE WEEK:**

The first week back from holiday kicked off with Culture Week and I am happy to have been the leader of this pan-university, week-long series of events. The events included fashion fushion, movie night, talent showcase, international food festival, game night and posters and flags displayed all over the campuses.

The feedback from students was positive, and Culture Week provided a safe space for every student to embrace their culture. Thank you to everyone involved in making Culture Week a fun experience, a special shoutout to Ian for all his work done.
