Key Points of work carried out since last meeting

Príomhphointí ón gcruinniú deireanach

Motion/Policy Writing

Wrote several motions and policies for the last council with the CVPs and the President.

Gender-Based Discrimination On Campus:

This was brought up in one of the previous councils as a discussion point where we were asked to do more signposting on the reporting tools. Therefore I had a meeting with the Consent Lead in TU Dublin, where we have decided to collaborate with them on the Bystander Intervention.

Food Vouchers:

Secured more food vouchers as the demand has increased due to the increasing canteen prices.

Seating:

As you may know some seating was removed from the hallways during covid, and since then they have not been replaced. Estates have confirmed that they're expecting a delivery of new seating for these areas this week!

Silent Pods:

We are expecting to get 2 more single pods and a double pod for Tallaght.

USI Constitutional Review:

Met with the President and VP Events to go over the Constitutional Review and provided relevant feedback and proposed amendments.
