Key Points of work warried out since last meeting

Príomhphointí ón gcruinniú deireanach

Welcome back to Student Council!

SHAG Week: I worked with the Welfare and Equality Team and provided support for the SHAG Roadshow events and activities in different campuses and both night events such as Sex Toy Bingo, Condom Pools and the Drag Race

Breast Feeding Room: I expressed the necessity to improve accessibility and promoting the Breast-Feeding Room to relevant staff within the University, to ensure parents are aware of this space. Currently, the room can be accessed by key through Student Support Services and Caretakers. There are plans to install a lockbox in order to make it more accessible for parents needing to use the facilities

Common Room: Screen installed and visible to students, so they are informed further about the CCTV present in the Common Room. Security guards have also created a clock point in the Common Room area to ensure safety of students

Gender Neutral Signage: I linked in with the Operations, Health and Safety Lead to illustrate the glaring issues with the current gender-neutral signage in Blanchardstown and Tallaght. All Campus Vice Presidents have agreed that the new signage seen within Grangegorman and the Sports Building in Tallaght is much more appropriate

Green Paper: I supported the work of the Welfare and Equality Officer by carrying out extensive research on the Green Paper and creating a document based on feedback
