Príomhphointí ón gcrúinniú deireanach

Hi all,

Well here it is. My last ever officer report. What a whirlwind of a couple of years it's been. I first got involved in the students' union as a member of the student media crew in 2018 when I was in 1st year of college and was the Grangegorman college officer in 2019, back before they built the quads us art students were tucked away in the old north house and looking back I truly miss it. I met former president Rebecca Gorman back then and over a pint she talked me into running for the part time role and as they say the rest is history.

After my year as a part time officer I sat on the board as a student member and was randomly the chair for a while during that mad covid thing, then after I graduated I decided to run for the union, 2 years later here we are. I'm not gonna talk about what sort of mad stuff I got up to during my term, if you're reading this you probably know and if not ask me over a pint haha.

Brian, if you're reading this I hope you know how well you did in your term. I think we worked brilliantly together this year and it has an honour to work under you.

Shauna I am so delighted that you will be the next president. Yes I had to drag you kicking and screaming to run both times but I hope you are as glad about it as I am haha. You really really care about students and I can't wait to see what you do.

Lastly, I want to say a huge thank you to Jason Aughney. Without Jason I'm convinced the union would fall down. I know I would anyway. The support I've received from him over the last 2 years has been immense and it was a pleasure to work with him!

OK really lastly, my final shoutouts. I have worked with some amazing students over my time.

Annabel Biddulph you are a power house. The best student councillor I have ever seen. You unapologetically ask all the right questions, you simply hold your elected officers to the same standard that you hold yourself too and I can't thank you enough for that. I truly think that you are the future of the student movement and if you ever decide to run I will be there cheering you on.

Suzanne and Ella, thank you for lifting my spirits on days when I didn't think anyone could. Mostly thanks for the Pepsi Max.

RAG Week

It happened! It was fun! I enjoyed it! It was great to see the team come together over the week and all be on the same campus! I think that approach really worked and can work for specific big weeks like that. Like last year we have noticed a decline in interest in terms of night time events and maybe that's something for the new team to look at. We have pushed over 10 thousand euro now for the year in terms of fundraising and I hope we hit 20 with the relay for life

Relay for life

Sweet Jesus please sign up to take part. It happens for 12 hours on the 25th of April on the Grangegorman campus. We will have a stage with live music. Inflatables, free ice cream etc. Ask me for details!!!

Congress

This took place in Sligo last week and was a great event. A huge thanks to all our delegates! You were amazing and a credit to the union.

Seachtain na Gaeilge

This takes place the week of the 15th of April. We have events across every campus for the week and our gaeilge officer has put in amazing work to make this happen.

Daffodil Day

We managed to raise about 1400 euro which I'm delighted about as it was an empty Friday on campus!
